JESS AND JACK CAN'T AGREE ON

Both Decline to Select Referee Out of List Presented by the Official Board.

Toledo, Ohio, June 25 .- There's going to be a merry battle before a referee is named for this championship embrogiio between Champion tess Willard and Jack Dempsey is staged in the Bay View park arena on July 4. The fight is already on and Willard and Dempsey cannot agree on the man to act as third man in the ring.

When a list of officials written by the army, navy and civilian board was presented to Willard and Jack Kearns, manager of Dempsey, for inspection, they decline to pick a man. Instead each made out a list of officials favored, and while these lists are not intended for publication, it is known that not a single name on one list is on the other.

A secret meeting on the referes situation which lasted two hours was held yesterday, those attending being Tex Rickard, Jess Willard and Secretary Emple of the army, navy and civilian board. The result was a failure to find a solution to the problem. Kearns was present to name the man he wants to referee, but all interested parties attended another session last night in Rickard's room with a view of straightening out the mat-

The result of the session last night will not be known for several days, and when the announce-ment is officially made it will come from New York, according to Pro-moter Rickard. This is because President A. J. Drexel Biddle, president of the army, navy and civilian board, isn't coming to Toledo to take part in the wrangle over the

Biddle insists that the fighters their managers and promoters must get together and agree on the man who will referee before that man's nametis presented to him. But with Willard and Kearns so far apart it is likely that several days will be required before they can get towho will be the referee is the

big question. It can be partially answered by giving the names of four men, two favorable to each side. Jess Willard wants Tex Rickard to officiate, but Rickard is sidestepping, and stated yesterday:
"I won't be the referee in that
ring on July 4." That seems defi-

nite enough, so the promoter as a prospect will have to be considered as in the discard.
